ADDITIONAL FUNDING

We encourage you to budget based on the financial aid listed in your letter, but the following are additional options you can research.

Parent PLUS Loans
PLUS Loans are unsubsidized loans for the parents of dependent students. These loans help pay for educational expenses up to the cost of attendance minus all other financial assistance. Visit onestop.utk.edu/loans for more information.

Private Loans Finder tiny.utk.edu/privateloans
• Alternative student loans are made through private lenders (for example, banks). These are not part of the federal loan program.

• We encourage you to look into federal loan programs before applying for a private loan. If you are ineligible for federal loans or you have exhausted government sources, private loans can help offset the cost difference.

For institutional scholarships, contact One Stop at onestop@utk.edu.
For departmental scholarships, contact the academic departments if these have not been added to your account by mid-July.
External scholarships will not appear on your financial aid offer and will only appear in your MyUTK once the scholarship is received and processed by the university.

2. HOW DO I RECEIVE MY FEDERAL WORK–STUDY?
Once you accept your offer for Federal Work–Study in your MyUTK account, you will be contacted by the Office of Financial Aid and Scholarships to begin the onboarding process. These funds are paid to students as a biweekly paycheck throughout the semester for hours worked. These funds do not pay directly toward your bill.

We encourage you to budget based on the financial aid listed in your offer letter. Check out the Payment and Funding Options tab with external funding options like Parent PLUS Loans and private loans.

4. WHAT IS COURSE PROGRAM OF STUDY?
UT follows Course Program of Study (CPOS) regulations. CPOS is a federal requirement by the US Department of Education that mandates that students will be eligible for their full federal or state financial aid only so long as they take a minimum of 12 credit hours of eligible courses within the student’s declared major or minor program each semester. For more information on CPOS, please visit onestop.utk.edu/cpos.

5. WHAT IS THE DIFFERENCE BETWEEN A SUBSIDIZED AND UNSUBSIDIZED LOAN?
