

Title IV Authorization

Your federal financial aid will automatically be applied toward your tuition and fees for the current award year.

Federal regulations allow you to voluntarily authorize federal financial aid to be used to pay for other (non-tuition and fees) charges during the current award year. Federal financial aid includes Direct Loans (Subsidized, Unsubsidized, and Parent), Pell Grant, ACG, and SEOG, and Perkins funds. These charges may include VolCard transfers, books and supplies, parking fines, etc. You can also authorize federal financial aid to be used to pay for prior year charges up to \$200.00.

Select one or both of the authorizations below.

<input type="checkbox"/>	I authorize The University of Tennessee, Knoxville to use any excess financial aid to pay for other charges such as books and supplies, VolCard transfers, parking fines, etc.
<input type="checkbox"/>	I authorize The University of Tennessee, Knoxville to use any excess financial aid to pay for up to \$200.00 for any prior year charges.

I understand this authorization is voluntary and will remain valid as long as I am a student at The University of Tennessee, Knoxville. I further understand I can rescind this authorization at any time and it will become effective the date the request is received by the Bursar's Office. Information and instructions on rescinding the authorization can be found on the Bursar's Office website at <http://web.utk.edu/~bursar/>. Please return completed form to the Bursar's Office at 211 Students Services Building, Knoxville, TN 37996-0225.
