DEFERRED PAYMENT PLAN

UT's Deferred Payment Plan lets you spread out payment for each semester's charges into three installments. Under the plan, you pay 50 percent of the total semester charges plus a \$30 service charge by the semester's payment due date. After the first installment of 50 percent, two additional and equal installments (25 percent each) will be due over the next two month period.

Example Deferred Payment Plan for an out-of-state student with \$20,000 of financial aid:

| FALL 2022 | SPRING 2023 |

| 3rd Installment: \$2,976.75 | 3rd Installment: \$2,976.75 |

ADDITIONAL FUNDING

We encourage you to budget based on the financial aid listed in your letter, but the following are additional options you can research.

Parent PLUS Loans

PLUS Loans are unsubsidized loans for the parents of dependent students. These loans help pay for educational expenses up to the cost of attendance minus all other financial assistance. Visit onestop.utk.edu/loans for more information.

Private Loans Finder tiny.utk.edu/privateloans

- Alternative student loans are made through private lenders (for example, banks). These are not part of the federal loan program.
- We encourage you to look into federal loan programs before applying for a private loan. If you are ineligible for federal loans or you have exhausted government sources, private loans can help offset the cost difference.

It's important to borrow responsibly! After graduation, your loan debt will be more manageable if you track your loans every year and only borrow what you need for school-related expenses.

Note: Financial aid disburses to student accounts after classes begin. Amounts in table to the left are based on 2022-23 academic year. There is a \$30 service charge due by each semester's deadline. For an example of an in-state payment plan, please visit onestop.utk.edu/deferred.

QUESTIONS ABOUT YOUR FINANCIAL AID OFFER

- ❑ **1. WHO SHOULD I CONTACT IF I HAVE SCHOLARSHIPS THAT ARE NOT LISTED IN MY LETTER?**
 For institutional scholarships, contact One Stop at onestop@utk.edu.
 For departmental scholarships, contact the academic departments if these have not been added to your account by mid-July.
 External scholarships will not appear on your financial aid offer and will only appear in your MyUTK once the scholarship is received and processed by the university.
- ❑ **2. HOW DO I RECEIVE MY FEDERAL WORK-STUDY?**
 Once you accept your offer for Federal Work-Study in your MyUTK account, you will be contacted by the Office of Financial Aid and Scholarships to begin the onboarding process. These funds are paid to students as a biweekly paycheck throughout the semester for hours worked. These funds do not pay directly toward your bill.
- ❑ **3. WHAT IF THE OFFER DOESN'T COVER MY ENTIRE COST?**
 We encourage you to budget based on the financial aid listed in your offer letter. Check out the Payment and Funding Options tab with external funding options like Parent PLUS Loans and private loans.
- ❑ **4. WHAT IS COURSE PROGRAM OF STUDY?**
 UT follows Course Program of Study (CPOS) regulations. CPOS is a federal requirement by the US Department of Education that mandates that students will be eligible for their full federal or state financial aid only so long as they take a minimum of 12 credit hours of eligible courses within the student's declared major or minor program each semester. For more information on CPOS, please visit onestop.utk.edu/cpos.
- ❑ **5. WHAT IS THE DIFFERENCE BETWEEN A SUBSIDIZED AND UNSUBSIDIZED LOAN?**
 Both loans are administered by the US Department of Education and offer competitive interest rates, which are determined by federal law.
 The Department of Education pays the interest on **Direct Subsidized Loans** while you are in school and for the first six months after graduation.
 You are responsible for paying all of the interest for **Direct Unsubsidized Loans**. You can choose to begin payment on your loans and their interest early with no penalty.
- ❑ **6. WHAT ARE LOAN ENTRANCE COUNSELING AND THE MASTER PROMISSORY NOTE?**
 The federal government requires you to complete entrance counseling to ensure that you understand the obligations of taking out a loan. You must also complete the Master Promissory Note—a legal document in which you promise to repay your federal student loan(s) and any accrued interest and fees to your lender or loan holder. In order to apply a loan to your UT bill, you must visit studentaid.gov to complete the Master Promissory Note and Loan Entrance Counseling.
- ❑ **7. DO I HAVE TO TAKE THE ENTIRE LOAN?**
 No! You can accept all or only a portion of your loans in MyUTK. We encourage you to be a responsible borrower and plan your budget around payment and repayment. Any accepted loan will be automatically split between your Fall and Spring semesters.
- ❑ **8. WHAT DO I DO IF I HAVE EXCESS AID?**
 You can set up direct deposit for excess financial aid in your MyUTK account. For more information, visit onestop.utk.edu/refunds.
